

## Walzerfahrt The Waltz

## The Waltz

Die Walzerfahrt - hier geht es wirklich rund. Vielfältigste Gestaltungsmöglichkeiten machen sie zu einer beliebten Attraktion in jedem Freizeitpark.

## Technische Daten:

Grundriß: Durchmesser: - 18m Höhe: -1,7m Drehende Plattform: Durchmesser: - 14m

Schiene: Durchmesser: ~12m Gondeln: 9 Gondeln à 4 Personen Kapazitāt: -1100 Personan/h

Antrieb: elektrisch Bremssystem: pneumatische Bremseinheiten Anschlußwerte: Antrieb: ~30 kW Licht: - 5 kW

Geschwindigkeit: Plattform: max. 6 U/min 2 x 40' OT Container Transport:

The Waltz - will delight young and old. Three dips and hills in the circular track, on which the platform rotates, create the waltzlike movement. The freely rotating gondolas add to the ride sensation. This ride can easily be transformed into a nostalgic ride, adventurous ride or any other phantasy inspired ride, by simply changing the decoration.

## Schlenenkranz Circle of track **Technical Data:**

Ground Dimensions: diameter: - 18m Height: ~1,7m

Rotating Platform diameter: - 14m Track: diameter: -12m

Number of Gondolas: 9 four-passenger gondolas

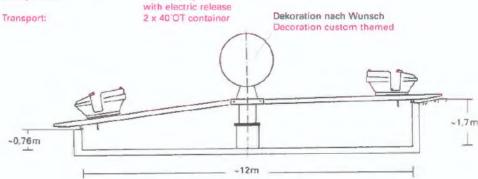

Capacity: -1100 passangers/h Drive system: electric Brake system: pneumatic brake units

Electrical requirement: Drive: -30 kW Illumination: ~ 5 kW

Rotations per minute

Rotating platform: max. 6 r.p.m., variable handrail, lap bar with electric release Safety feature:

2 x 40 OT container

Gondel à 4 Pers.

4-passenger gondola

Grundriß

Plan view

~18m
